

## LHCPBA

The Lake Havasu City Pickleball Association (LHCPBA) was formed to promote pickleball in Lake Havasu City (LHC). We organize tournaments, drills and clinics; publish scheduled play times; and work with the City in planning and developing public pickleball facilities. Our membership is growing rapidly and includes players from all over North America. We're a friendly group, welcome newbies with open arms, have lots of fun. Send in your application and join us! ## LAKE HAVASU COURTS, Inc.

We urgently need more courts at Dick Samp Park. Lake Havasu Courts, a 501.c.(3), was created to help fund court construction via tax-deductible donations. One of our members has issued a \$25,000 donation match challenge, details on our website: [LakeHavasuCourts.com](http://LakeHavasuCourts.com). Take advantage of this opportunity to double your donation dollars and make those additional courts a reality!

## What is Pickleball?

A paddle sport created for all ages and skill levels. The rules are simple and the game is easy for beginners to learn, but can develop into a fast-paced, competitive game for experienced players.

### Basics

The game combines many elements of tennis, badminton and ping-pong, and is played both indoors and outdoors on a badminton-sized court with a modified tennis net. The paddle is slightly larger than a ping pong paddle and the ball is similar to a whiffle ball.

### Venues & Benefits

There are 15,000+ indoor and outdoor courts in the United States, with locations in all 50 states. Players enjoy the social aspects of the game as well as the ability to stay active both at home and on the road.

## Our Vision

**Vision:** Playing Pickleball provides the opportunity to participate in a healthful, socially engaging activity for all ages.

Indicators that we are achieving our vision include:

**Pickleball participants:**

- A. Are involved and learning.
- B. Are advancing skills
- C. Display a sense of camaraderie between players of all skill levels such that each can maximize their opportunities to explore and improve their play.
- D. Are assisting lesser skilled players through practice, clinics and other forms of education.

**The Association:**

- A. Is promoting area commerce by attracting seasonal players from all over North America and hosting tournaments.
- B. Is fostering a cooperative atmosphere between players and the City via planning, funding, court enhancements and court maintenance.
- C. Is arranging and coordinating indoor and outdoor venues to accommodate the number of players and climatic conditions.

## Our Goal

Our goal is a 16-court pickleball complex at Dick Samp Memorial Park (DSP). The first 4 courts at DSP, pictured below, were completed in early 2017.

**4 down, 12 to go!**

The master plan for the complex is pictured below. Help us realize our dream of making LHC a pickleball mecca! Make a tax-deductible contribution to Lake Havasu Courts, Inc. Here's the link: [LakeHavasuCourts.com](http://LakeHavasuCourts.com)
